D. Coverage Inside of the Courthouse

(1) Purpose

Metal detection and other security measures are installed at the entrance of the court's courthouses. Prospective and sworn jurors, witnesses, spectators, litigants, and their children often congregate in common areas of the Courthouse including hallways, lobbies, and entry areas. Often these common areas are quite congested. The Lodi, Manteca, Tracy, and Juvenile Justice Center have lobby areas where prospective and sworn jurors, witnesses, spectators, litigants, and children congregate. Photographing, videotaping, filming, broadcasting in these areas may interfere with those activities, including security operations.

Accordingly, this subdivision is established to:

- (a) Protect the privacy rights of prospective jurors, seated jurors, witnesses, victims, and court spectators as contemplated by subdivisions (e)(3)(E) and (e)(6)(D) of California Rules of Court, Rule 1.150.
- (b) Preserve the security of the court and the safety of people in the courthouse as contemplated by subdivision (e)(3)(O) of Rule 1.150.
- (c) Preserve the dignity of the court and prevent interference with the orderly conduct of proceedings in courtrooms as contemplated in subdivisions (e)(3)(O),(R), and (Q) of Rule 1.150 which could be affected by disruptions in the hallways outside of courtrooms.

(2) Jurors

Photographing, videotaping, filming, broadcasting, and electronic recording of jurors in the courtroom is prohibited by subdivision (e)(6)(D) of California Rules of

The faces of anyone wearing juror badges or anyone standing in line going into the Jury Assembly Room at the Stockton Courthouse inadvertently depicted in the background of any photograph or videotape must be blurred or digitized beyond recognition before being published or broadcasted. Photographing, videotaping, filming, broadcasting, and electronic recording of prospective jurors who have been discharged from service, seated jurors who have been discharged from service or alternates who have been discharged from service is permitted in the courthouse only when that person consents.

(3) Spectators

- (a) Photographing, videotaping, filming, broadcasting, and electronic recording of courtroom spectators is prohibited by subdivision (e)(6)(D) of Rule 1.150. This prohibition shall apply to the photographing or videotaping of any person while seated in any San Joaquin Superior Court courtroom audience, regardless of whether that person participated in the case or is scheduled to participate in the case as a witness or any other capacity. The faces of spectators depicted in the background of any photograph or videotape must be blurred or digitized beyond recognition before being published or broadcasted. When courtroom photography or videotaping is permitted, the court will work with the media to situate photographers in positions where spectators are not likely to be depicted in the background.
- (b) The prohibition against photographing, videotaping, filming, broadcasting, or electronic recording of spectators shall not apply to any person situated in the audience who becomes disruptive or who addresses the court if Rule 1.150 authorization has previously been granted for those proceedings. However, the judge who authorizes a Rule 1.150 request may prohibit in advance the photographing, videotaping, filming, broadcasting, or electronic recording of spectators who become disruptive or who address the court when granting the Rule 1.150 request.

(4) Stockton Courthouse

Unless approved by written order of the presiding judge of this court or a judicial officer designated by the presiding judge, photographing, videotaping, filming, broadcasting, and electronic recording of any kind, other than handheld recording devices used for personal note taking, is prohibited in the following parts of the Stockton Courthouse:

Superior Court of California

(9) Additional Orders

On occasion, the media interest in a given court proceeding may be so intensive that additional prohibitions are warranted to satisfy the concerns listed in this local rule. Accordingly, when such is the case or when other circumstances warrant, the presiding judge or judicial officer designated by the presiding judge shall make whatever orders are necessary governing photographing, videotaping,

audio recording, and broadcasting in the hallways, stairwells, elevators and other areas within any of the courthouse branches.

If reference is made to the transcript of a hearing other than the preliminary hearing, a copy of the relevant excerpt of that hearing shall be attached to the memorandum of points and authorities.

B. Citations

Citations to California cases must be by reference to the official reports and should indicate the year of the decision, the volume number, the first page of the case, and the specific page or pages on which the pertinent matters appear. New California cases not yet published in the advance sheets may be cited by reference to the Daily Appellate Report. 2. Specification of Factual and Legal Basis for Motion:

The moving party's memorandum of points and authorities shall identify the specific legal and factual basis and cite the specific authority which will be offered to support the claim the search or seizure was defective. 3. Specification of Intended Witnesses:

Moving and responding parties shall specify on the first page of the notice of motion or response the name of the witnesses, if any, they intend to call at the hearing.

4. Copy of Search Warrant, Affidavit, and Inventory:

When any party is unwilling to stipulate to the transcript of the preliminary examination or grand jury hearing being received into evidence (supplemented by other testimony and argument of counsel, as needed), that fact shall be stated on the first page of the notice of motion or response. Failure to so indicate shall be deemed a stipulation to the admission of the transcript into evidence. (Eff. 07/01/98)

2-102.2 DEMURRERS, MOTIONS TO DISMISS, MOTIONS TO STRIKE

In addition to the above requirements, defendants shall attach a copy of the current complaint, information, or indictment to the memorandum of points and authorities filed in support of any demurrer, motion to dismiss based upon the pleadings, or motion to strike. In addition, demurrers, motions to dismiss, and motions to strike shall specify in the notice whether the defendant seeks to dismiss or strike the entire complaint, information, or indictment. If the defendant does not seek to dismiss or strike the entire complaint, information, or indictment, the defendant shall set forth in the notice of motion the count, enhancements, allegations, special circumstances, or other aspects of the pleading defendant seeks to dismiss or strike. RULE 3. CIVIL

3-100. IMPLEMENTATION

The mandates set forth in these Local Rules are considered lawful orders of the court. Violation of any of these Local Rules may result in the imposition of sanctions pursuant to Code of Civil Procedure section 177.5 for violation of a lawful court order.

If the court finds that any party has not proceeded with due diligence or otherwise failed to comply with this rule, sanctions may be imposed pursuant to Government Code section 68608(b).

Unless otherwise required by law, the Clerk's office will conform a maximum of two (2) copies. (Eff. 07/01/17)

3-101. DIRECT CALENDARING OF CIVIL CASES

THESE RULES APPLY TO ALL CIVIL CASES (LIMITED AND UNLIMITED) UNLESS OTHERWISE NOTED.

- A. All cases described as personal injury, eminent domain, collection or other actions denominated as civil in nature shall be subject to assignment to a judicial officer for all purposes at the time of filing of the action. This section shall not apply to abandonment, adoption, mental health, petitions for approval of minors' compromises and family law cases. Nothing herein shall be construed to interfere with the Presiding Judge's authority to assign or reassign cases. This section also applies to writs.
- B. Cases which are subject to direct calendaring shall be assigned to a judicial officer for all purposes, who shall thereafter handle all proceedings involving the matter, including trial, except as otherwise provided or required by law. At the time of the initial filing of any case, the Clerk's office shall affix to the face of the complaint or petition, and also upon the face of the Notice of Case Management Conference, by stamp or other writing, the following notice:

**"THIS CASE HAS BEEN ASSIGNED TO JUDGE \_\_\_\_\_ IN DEPARTMENT \_\_\_\_\_ FOR ALL PURPOSES, INCLUDING TRIAL".**

Time limits for peremptory challenges of judges, commissioners and referees are governed by CCP Section 170.6. (Eff. 07/01/15)

3-102. ADMINISTRATION OF GENERAL CIVIL LITIGATION

NOT APPLICABLE TO LIMITED CIVIL CASES

A. Policy:

It is the policy of the San Joaquin Superior Court:

1. To manage all cases except civil petitions, probate, mental health, domestic and paternity actions from the time of filing the first document invoking court jurisdiction through final disposition.
2. The time frame for unlimited civil cases is 75% within 12 months, 85% within 18 months and 100% within 24 months.

Superior Court of California  
for the County of San Joaquin

3. To use these rules as outside limits in the management of civil cases. Parties are encouraged to proceed at a more accelerated pace, especially in those cases involving promissory notes, simple breach of contract, money due and other cases susceptible to early disposition. In such cases, a party may file its own at-issue memorandum prior to case management conference to secure an early trial date.
4. Nothing in this section shall prevent the court from issuing an exception order based on a specific finding that the interest of justice requires a modification of the routine processes as prescribed.
5. Uninsured motorist (California Insurance Code Section 11580.2) and eminent domain cases shall be deemed exempt from this rule upon the filing by plaintiff of a Declaration of Exemption (Form Sup. Ct.56). Plaintiff is required to file a dismissal within ten (10) days after receipt of monies or 60 days after the arbitration hearing in all uninsured motorist cases.
6. All civil cases filed which are statutorily limited civil cases shall remain subject to the "Economic Litigation Rules" (CCP Section 90, et seq.) regardless of which department or commissioner handles such case.

**B. Procedure**

1. Any party seeking a change of hearing date set under this section must file a written application containing a showing of good cause together with a proposed order five (5) court days in advance of the hearing.
2. Order to show cause hearings for violations of these rules will be held by the assigned judge approximately 20 days from the mailing of the order to show cause.
3. Written response to orders to show cause must be filed at least five (5) calendar days before the hearing.
4. All stipulations for request to continue any proceeding shall be signed by all attorneys involved in the case.

**C. Responsive Pleadings**

1. If a Certificate of Inability to Respond is timely filed the court will conduct a hearing to determine a date on which a response must be filed.
2. If the responsive pleading is a demurrer and the demurrer is overruled, the court shall fix the time for filing a further response. If a demurrer is sustained with leave to amend, the court shall fix the time for filing an amended pleading and may fix the time for filing a response.

Pursuant to C.R.C 3.110(g), if a responsive pleading is not served within the applicable time limits, and no extension of time has been granted, the plaintiff is required, within 10 days after the time for services has elapsed, to file a request for entry of default.

D. Stays of Action/Alternative Dispute Resolution Requirements

1. To stay any action pending any type of alternative dispute resolution (ADR), stipulations and proposed orders must provide that the ADR shall be binding and that a dismissal of the entire action will be filed.
2. The stay provided by 11 U.S.C. Section 362 shall not affect this section.

E. Extensions by the Court

1. The court may extend any time standard set forth in these rules upon a showing of good cause on noticed motion or ex-parte appointment with the assigned judge.

"Good cause" includes the existence of those conditions stated in C.C.P. section 583.240. When applying to the court to extend time for service of process based on the conditions stated in C.C.P. section 583.240, plaintiff shall suggest to the court the earliest time within which the impediment to service may reasonably be eliminated so that the court is able to continue its supervision of the case on a date certain.

2. Further, in all civil actions, "good cause" for an extension of time to serve the defendant with process is established where plaintiff's declaration affirmatively shows that defendant's insurance carrier or other authorized representative has been advised that an action has been filed and that settlement negotiations are in progress which could resolve the case without further litigation. Upon such showing, it is the policy of the court to extend the time for service of the complaint to a date certain, within which time it appears reasonable that negotiations can be concluded.

F. Case Management Conference (CMC)

1. Upon filing a complaint, the plaintiff shall receive the following from the clerk:
  - (a) Summons and complaint,
  - (b) Notice and date of the first case management conference (the first conference will be set within 150 days of the filing date of the original complaint), and
  - (c) a blank Case Management Conference Statement (CMCS).

Any cross-complainant naming new parties will also receive a notice of case management conference and a blank CMCS.

If a case is transferred from another jurisdiction after a responsive pleading has been filed, the first status conference will be set within 45 days from the order of transfer. If no responsive pleading has been filed, the first case management conference will be set within 90 days from the Order of Transfer. In all other particulars, the plaintiff in a transfer case will receive the same information and items as described above.

2. At the time of serving the summons and complaint (and a cross-complaint upon a new party) the responding party shall be served with the notice of the case management conference and a blank CMCS by the plaintiff.

Superior Court of California  
for the County of San Joaquin

3. Each appearing party shall file and serve the completed Case Management Conference Statement at least fifteen (15) calendar days prior to the hearing.
4. The assigned judge shall conduct the case management conference, at which each trial attorney, or attorney familiar with the case, and each self-represented party must appear. At the CMC, the court may make all orders it deems appropriate, including but not limited to any one or more of the following:
  - (a) A preliminary determination regarding judicial arbitration or Alternative Dispute Resolution (ADR);
  - (b) Transfer to another court;
  - (c) Designating the case as "complex litigation";
  - (d) Order an early settlement conference;
  - (e) Order a trial setting conference; or
  - (f) Order the setting of a "short cause" court trial.
5. If none of the parties object to the court referring the matter to arbitration (and therefore without limit) and both sides have initiated discovery, no appearances will be required at the case management conference.
6. If a case is not ordered to judicial arbitration, the court will order a trial setting conference date.
7. Any attorney may appear at the case management conference telephonically and, when this occurs, local attorneys have the same option.
8. The court will consider those factors outlined in Judicial Council Rule 2106 in evaluating a management plan for each individual case

G. Complex Litigation

1. A complex case is one which involves complex issues, difficult legal questions or unusual proof problems.
2. The court, on its own motion, may at any time declare an action a complex case, or may do so pursuant to motion by a party.
3. Once a case is designated as complex by the court, it shall be assigned to a judge for all purposes, including trial.

H. Arbitration Determination

1. Cases are ordered to arbitration at the case management conference.
2. Parties shall be noticed with a trial setting conference date once a request for trial de novo has been filed. The trial setting conference will be held approximately 21 days from the request for trial de novo.

I. Trial Setting Conference

1. If a case is not ordered to arbitration at the case management conference, the assigned judge will set the case for a trial setting conference.
2. Each trial attorney or attorney familiar with the case and self-represented party must attend, at which time the assigned judge will set any final deadlines for completion of discovery. A trial date shall be assigned with a mandatory settlement conference being set 15 to 30 days prior to trial. Settlement conferences will be governed by Rule 3-104.
3. All trial attorneys or attorneys familiar with the case and self-represented parties shall attend trial setting conference, unless a Declaration in Lieu of Personal Appearance has been filed. Said declaration must be filed with the Court Clerk's Office at least ten (10) days prior to the trial setting conference.

J. Non-Availability of Official Court Reporting Services in Civil Departments

San Joaquin Superior Court's Official Court Reporters are "not available" within the meaning of California Rules of Court, Rule 2.956, for court reporting of civil cases. As provided in Rule 2.956(e)(1), the term "civil cases" includes all matters other than criminal and juvenile matters. This non-availability extends to all civil cases hearings or proceedings of any kind or nature, including but not limited to law and motion hearings, ex parte applications, long-cause hearings and trials. Effective July 31, 2017, the departments which normally hear civil cases are Departments 10A, 10B, 10C, 10D, and 11B.

As provided in Rule 2.956(c), parties may arrange for the presence of a certified shorthand reporter to serve as an official pro tempore reporter. It is the party's responsibility to pay the reporter's fee for attendance at the proceedings, but the expense may be recoverable as part of the costs, as provided by law.

If a party arranges and pays for the attendance of the certified shorthand reporter, none of the parties will be charged the reporter's attendance fee provided for in Government Code section 68086, subdivisions (a)(1) or (b)(1).

The stenographic notes of the certified shorthand reporter are the official records of the court and shall be secured by the court in either paper and/or electronic format in accordance with Government Code section 69955(a), (b), (c) and (d).

In all cases, the plaintiff shall serve "Notice of Non-Availability of Official Court Reporting Services in Civil Departments" ("Notice") with the complaint. Likewise, the cross-complainant must serve the Notice on any new parties to the action. The service information must be included on the Proof of Service of Summons. In addition, parties that file motions must serve the Notice on all parties in the case. The service information must be included on the Proof of Services by Mail. (Eff. 01/01/18)

**3-117. "COURTESY COPIES" OF BRIEFS AND PAPERS**

All briefs and papers filed in support of any motion or application, whether made on notice or ex parte, must be filed with the Clerk of the Court. It is the policy of the Superior Court to discourage the submission of "courtesy copies" of briefs and papers directly to the civil law departments.

Parties may, but are not required, provide courtesy copies of reply briefs, papers filed in specially set matters, or papers filed in other matters wherein the court requests a courtesy copy. Such courtesy copies should be stamped with "Courtesy Copy" and delivered directly to the courtroom clerk in the department that will hear the matter. Courtesy copies are not to be filed. (Eff. 01/01/14)

3-118. "RESERVED FOR FUTURE USE" (Eff. 07/01/05)

3-120. SUBSTITUTE SERVICE

If service is at a party's residence, one attempt of serve must be at a time other than usual business hours, i.e., other than between 9:00 a.m. and 5:00 p.m. The substituted service could then be executed on a new calendar day following the second attempted personal service (Eff. 07/01/05).

3-121. ALTERNATIVE DISPUTE RESOLUTION

San Joaquin Superior Court strongly supports the use of Alternative Dispute Resolution in civil cases. Many cases can be resolved to the satisfaction of all parties without the necessity of engaging in litigation, which can be costly, time consuming, and stressful. The court encourages litigants to utilize some form of ADR as an alternative to litigation in addition to the mandatory settlement conference set in each case.

A. ADR Options

Litigants may choose one or more methods of ADR, including but not limited to the following:

Mediation

- a. Court Mediation Program or Private (CCP §§1775-1175.15; CRC 3.890-3.898)
- b. Non-binding Judicial Arbitration (CCP §§1141.10-1141.31; CRC 3.810-3.830)
- c. Binding Arbitration (CCP §§1280-1294.2; CRC 3.1330)
- d. Neutral Evaluation
- e. Trial by Reference (CCP §§638-645.2)
- f. Expedited Jury Trial (CCP §§630.01-630.12); concerning EJT's, please see Rule 3-127, below, for additional information.

B. ADR Information

Attorneys shall provide their clients with a copy of San Joaquin Superior Court ADR Information packet at the earliest available opportunity and prior to the initial Case Management Conference. Self-represented litigants and all litigants need to review and consider the available ADR choices. Plaintiffs and cross-complainants shall serve a copy of San Joaquin Superior Court ADR Information packet on each defendant or cross-defendant at the time the complaint or cross-complaint is served as required by California Rule of Court 3.221.

C. ADR Participation

Participation in any ADR program offered by the Court or as agreed upon by the parties is strongly encouraged. Parties may request ADR by selecting an ADR option on the Case Management Conference Statement (Judicial Council Form CM-110) and/or completing a Stipulation and Order to Participate in Alternative Dispute Resolution (Sup. Ct. Form 441).

D. ADR Assessment at Case Management Conferences

Parties are to assess and consider an ADR option prior to and at Case Management Conferences. Case Management Conferences will assist the parties to select the most effective and appropriate ADR method to resolve the case. At the discretion of the court, an appropriate amount of time will be permitted for ADR to be completed prior to the date set for a Further Case Management or Trial Setting Conference.

E. ADR Neutral Panels

The Court maintains current lists of arbitrator and mediator panels to assist parties and their counsel in selecting a neutral provider to preside over ADR proceedings. Eligibility criteria for appointment to the court's arbitration or mediation panels are set forth in CRC 10.781, CRC 3.810, et seq., and such other criteria as may be established by the court. The Court's panel of available neutrals can be assessed through the court's website at [www.sjcourts.org](http://www.sjcourts.org) under civil mediation.

F. Notice of Settlement

If a case that has been set for judicial arbitration or court mediation settles, plaintiff must immediately serve a copy of written Notice of Settlement or other disposition on the ADR neutral provider appointed in the case and file the Notice of Settlement with the court. (Eff. 07/01/17)

3-122. JUDICIAL ARBITRATION (Local Rule 3-121, revised)

A. Judicial Arbitration

Any civil case shall be submitted to judicial arbitration pursuant to this rule upon order of the court, stipulation of counsel or plaintiff's election, where, in the opinion of the court, the amount in controversy does not exceed twenty-five thousand dollars (\$25,000) for each plaintiff in limited civil case or fifty thousand dollars (\$50,000) for each plaintiff in an unlimited civil case. The parties may stipulate or plaintiff may elect judicial arbitration where the amount in controversy exceeds fifty thousand dollars (\$50,000) for each plaintiff in an unlimited civil case. The Judicial Arbitration program is administered by the court under the provisions of Code of Civil Procedure §§1140.10 through 1141.31 and California Rules of Court 3.810-3.830.

The provisions of this rule shall not apply to cases exempt from arbitration pursuant to CRC 3.811(b) and based upon the discretion of the court.

A case may be ordered to arbitration at a Case Management Conference from information submitted on the Case Management Conference questionnaire. Long cause cases not ordered to judicial arbitration at Case Management Conferences shall be set for trial. If a referral to the Case Management Conference is desired prior to the first management

conference, the party may so request in the Case Management Conference Statement and the case may be ordered to judicial arbitration from the information submitted thereon.

B. Continuance of Matters Ordered to Arbitration (Local Rule 3-122, revised)

The continuance of arbitration hearings once scheduled is disfavored. Keeping within the provisions of CRC 3.818(c), the parties may stipulate with the consent of the arbitrator or the arbitrator may grant a continuance based on good cause and not to exceed ninety (90) days from the date of assignment to the arbitrator. A further continuance, however, cannot be granted except by motion to the court, with good cause shown.

C. Setting Trial After Request for Trial de Novo (Local Rule 3-123, revised)

When a request for a trial de novo has been timely filed, the court will promptly schedule a Case Management Conference to set the case for trial.

D. Payment of Arbitrators (Local Rule 3-124, revised)

The arbitrator's award or a Notice of Settlement must be timely filed with the Arbitration Administrator before a fee may be paid. The arbitrator shall receive the sum of \$150 for each case as a fee for services. If the arbitration hearing extends beyond one day, the arbitrator is entitled to \$150 per day for each additional day or portion thereof. At the court's discretion, payment of fees for all arbitrators may be suspended and arbitrators may volunteer their time and effort. (Eff. 01/01/14)

3-123. CIVIL MEDIATION PROGRAM (Local Rule 3-125, renumbered)

A. Civil Mediation Program

The Civil Mediation Program is a court-connected program designed to deliver high-quality affordable mediation services to attorneys and litigants in general civil cases. Mediation gives litigants a voice in settlement decisions and thereby allows them to play a more direct role in managing the outcomes of their own cases. The Superior Court of California, for the County of San Joaquin, is pleased to offer this important and valuable option for resolution of litigation.

B. Eligibility

All types of general civil cases are eligible to participate in the Civil Mediation Program. Please see California Rules of Court, Rule 1.6(4) for the definition of "general civil cases".

C. Stipulation to Mediation

1. Parties at any time may stipulate to participate in mediation. All parties stipulating to mediation must complete a Stipulation and Order to Participate in ADR form and file it at the Clerk's Office. An original and a copy for the court's use shall be submitted to the Clerk's Office. The form can be downloaded at [www.sjcourts.org](http://www.sjcourts.org) under "Civil Mediation".

There is no filing fee for the filing of the Stipulation. An incomplete Stipulation will be returned to the parties by the Clerk's Office. All Stipulations must include the following:

- a. Original signatures for one attorney for each party or by the self-represented litigant;
- b. The Name of the mediator;

- c. Date of the mediation session; and
- d. Service list (counsel need not serve the Stipulation on parties).

Parties are to mutually agree on a mediator and schedule the mediation session directly with the mediator.

2. Filing the Stipulation Prior to an Initial Case Management Conference

To stipulate to mediation prior to the initial Case Management Conference, parties must file a completed stipulation at least ten (10) days before the scheduled Case Management Conference. The clerk will send notice of a new Case Management Conference date approximately one hundred and twenty (120) days from the current date to allow time for the mediation process to be completed.

3. Filing the Stipulation Following a Case Management Conference

When parties come to an agreement at a Case Management Conference to utilize mediation, the parties have 21 days from the date of the Case Management Conference to file a Stipulation and Order to ADR with the court. If the Stipulation and Order to ADR is not filed with the court within the time allowed, the clerk will send out an Order to Show Cause to have the parties appear in court and explain why the Stipulation and Order to ADR has not been filed.

D. Selection of Mediator

Parties are to choose a mediator who is mutually agreeable based on the mediator's experience, market rate, and other information listed on the Mediator Panel List. Parties are not, however, limited to choosing a mediator from the court's panel and may select a mediator based on their own research.

G. Confidentiality

Except as provided below, court-connected mediation shall be confidential and subject to the mediation privilege set forth in Evidence Code sections 703.5 and 1115-1128. Except as provided below, no communications made in connection with mediation, including the evaluation, may be disclosed to the assigned judge or to anyone else not involved in the mediation, unless otherwise agreed to by all parties.

This rule does not prohibit:

1. Disclosures as may be stipulated by all parties and the mediator;
2. a report to or inquiry by the ADR Administrator concerning a complaint against a mediator;
3. any participant or the mediator from responding to an appropriate request for information made by persons authorized by the ADR Committee to monitor or evaluate the court's ADR program; and

The mediator shall require the parties and all persons attending the mediation session to sign a confidentiality agreement on a form provided by the court.

H. Post-Mediation Evaluations and Forms

All Post-Mediation Evaluations will NOT be filed in the court's file. The information collected will be used to assess the impact of the program on the court to track quality to provide feedback to mediators and to inform the court's decisions regarding redesign of program procedures. This information will be aggregated for blind statistical reports to the Judicial Council, the court and the community. Additionally, information collected in the Evaluation will not be shared with the involved parties.

1. Mediators: All mediators shall complete and submit a Mediator Post-Mediation Evaluation AND Statement of Agreement or Non-agreement form (Judicial Council Form ADR 100) within ten (10) days of the mediation sessions regardless of the outcome of the case mediated. The opinions of the neutral evaluator may be utilized by the parties to discuss settlement, participate in mediation, judicial arbitration, or binding arbitration, proceed to litigate the case and set the case for trial.

A. Neutral Evaluator Panel

The court's Mediator panel lists experienced attorneys in specific practice areas, who have the training to serve as a neutral evaluator. Parties may agree to utilize other attorneys, mediators, or retired judges who are not on the court's Mediator Panel to serve as a neutral evaluator.

Upon their filing, cases will be assigned randomly to one of the designated juvenile delinquency departments. Except as otherwise provided by law, the judicial officer assigned to that department will thereafter handle all proceedings involving the matter through termination of jurisdiction, unless otherwise ordered. Nothing herein shall be construed to interfere with the authority of the Presiding Judge, and/or the Presiding Judge of the Juvenile Court to assign or reassign cases as may be necessary for the prompt and efficient disposition of matters coming before the juvenile court. All parties must comply with California Rules of Court, Rule 5.151 through Rule 5.170 when submitting emergency requests. The requests shall be limited to those specified in subsection (b) of Rule 5.151 and must be in writing. The requesting party must also comply with the notice requirements set forth in California Rules of Court, Rule 5.165 and must include the *Temporary Emergency (Ex Parte) Orders* (form FL-305) with their pleadings. (Exhibit A is revoked effective July 1, 2018.) (Rule 7-100 amended effective July 1, 2018; adopted as Rule 7-100 effective July 1, 1998; amended effective January 1, 2014.) (Eff. 07/01/18)

7-101. ORDER EXCLUDING A PARTY FROM THE HOME

A temporary restraining order enjoining a party from the use of the family home will not be granted unless the request is supported by a declaration setting forth a factual basis showing immediate and serious harm. Said declarations shall state, in detail and in competent evidentiary form, the time and place of the act or acts and the exact injuries suffered by the moving party. The moving party has the burden of convincing the court an ex-parte order is an appropriate alternative to an order shortening time. (Eff. 07/01/98)

7-102. NOTIFICATION TO COURT OF OTHER PROCEEDINGS

- A. Any motion, petition or request for order, or response thereto involving an issue of child custody, visitation, child support or domestic violence shall contain a statement notifying the Court and parties of any action which involves the children or the parties concerned in the motion, petition or request for order which is pending in any other jurisdiction or in the juvenile court. 7-103. MEET AND CONFER REQUIREMENT

- A. All parties and all attorneys are required to meet and confer prior to a case being heard on the family law calendar.
- B. Before the parties are eligible for mediation, it is required that they meet and confer. The sole purpose in requiring them to meet and confer is to allow them an opportunity to work out a plan for the sharing of time and responsibility for the raising of their child or children, i.e. formulate their own parenting plan.
- C. It is expected that any attorney who represents either the mother or father will meet with the other side in order to determine what issues can be resolved by agreement and what issues are really contested.

Attorneys must meet with the opposing side even if the other side is not represented by an attorney. A bona fide attempt must be made to settle all issues prior to mediation.

- D. Parties not having attorneys must still meet and confer. If either side is not represented by an attorney, they are still required to meet with the other side in order to try to resolve the parenting plan. A party who is not represented must remember that meeting and discussing the case with the other side does not mean that they must make an agreement, they must simply make an honest attempt to settle all the issues they can and determine the issues that are contested.
- E. Complete meet and confer required. In order to expedite the process, it is required that even if a complete settlement is not possible, all issues should be discussed even if only conditional agreements are made. For example, if the parties cannot agree, they should determine how holidays will be shared and what shared time they would have if they were not granted the primary custody of the child or children.
- F. Parties must exchange three days prior to the hearing on documentary evidence that is to be relied upon for proof of any material fact at the hearing. This requirement does not apply to documents used primarily for rebuttal or impeachment purposes (Eff. 01/01/14)

- B. No peremptory challenge of a mediator is permitted.
- C. A party may challenge a mediator for good cause by the filing of a formal motion to disqualify a mediator. The court shall continue the date of any mediation to allow the filing of a motion to disqualify. The court shall shorten time for a hearing on a motion to disqualify a mediator upon the request of either party.
- D. A mediator may decline to mediate a case in the event the mediator determines he or she cannot be unbiased or has a conflict that would prevent a meaningful mediation.
- E. Ex-parte communication with Court mediators by any party or attorney to the action is prohibited, except for limited contact necessary to schedule or continue hearings, mediation sessions and/or testimony of mediators at trial or hearing.
- F. The purpose of mediation is to facilitate an agreement between the parents. If counsel attends a mediation session they shall do so in a support capacity and not to advocate for a position. The mediator may exclude either or both counsel from a mediation session if in the discretion of the mediator such exclusion will facilitate the mediation process.
- G. When any request for order is filed placing custody and/or visitation at issue, the parties are required to attend an orientation session provided by Family Court Services prior to the court date on the request. Non-compliance may result in the case being continued until such time that the parties have attended the required orientation. (Eff. 01/01/14)

- c) The proponent of the testimony shall pay the expense of the videoconference, and shall have a videographer present during the testimony to ensure that the videography equipment functions properly. Any and all equipment necessary to perpetuate the testimony shall be provided by the proponent.
- d) Notice of intent to introduce testimony by videography must be given in writing by the proponent at least 15 days prior to the date set for hearing perpetuation of such testimony would prejudice the objecting party.

7-109. RESULT OF FAILURE TO COMPLY WITH RULES

- (a) Dropping the matter from calendar.
- (b) Continuance of the matter.
- (c) The award of attorney's fees and costs against the non-complying party and/or the party's attorney, without the necessity of filing an Income and Expense Declaration, or any request for order, included by not limited to a motion under California Code of Civil Procedure Section §128.5 or Family Code §§270 through 275.

B. Avoiding Conflicting Orders

No department or the family or juvenile court shall issue a protective order or custody order in conflict with an order of the criminal court. In the event such an order is issued inadvertently, the orders of the criminal law proceeding shall control.

At the Clerk's Office, the person restrained by a criminal protective order or protected by a criminal protective order may request a hearing to modify the criminal protective order to expand or restrict contact between the person restrained by the order and his or her children.

The family court may prepare a custody and visitation order, however, it is explained to the parties that the order cannot be enforced by law enforcement if the criminal protective order is not modified accordingly.

D. Co-Existing Criminal and Family or Juvenile Orders

A family or juvenile court order may coexist with a criminal protective order, subject to the following:
