FOR IMMEDIATE RELEASE

NATIONAL ADOPTION DAY NOVEMBER 20, 2021, 9 a.m. Stockton Courthouse – Dept. 3D 180 E. Weber Ave., Stockton, CA

On Saturday, November 20, 2021 at 9 a.m., the Superior Court of California, County of San Joaquin, will host National Adoption Day with San Joaquin County Human Services Agency, Parents by Choice, Family Connections Christian Adoptions, AspiraNet, Alternative Family Services, and Family Extension. This year's event will celebrate and finalize adoptions for 21 families and 29 foster care children.

This event will be presided over by Judges Barbara A. Kronlund, Seth R. Hoyt, Jr., Anthony P. Lucaccini, and Erin Guy-Castillo and will begin with a brief welcome and introduction. Also, a couple adoptive families will share their own personal story.

Upon reflection of this eventful day, Judge Kronlund said, "This is truly a most heart-warming experience for everyone involved. Children, who through no fault of their own need families, find their forever homes. Families, missing something that only a beautiful child can bring to them, see their dreams fulfilled. Instant families are created; and families grow before our eyes. And these children can all rest assured, they are truly wanted and loved because they were picked to join these select families."

Volunteers from the court and agencies participate in this special day by working together to celebrate the joys of adoption and encourage more families and individuals to give children permanent families through adoption.

National Adoption Day has been celebrated across the nation on the Saturday before Thanksgiving and to raise awareness of the more than 120,000 children and youth in foster care waiting to find a permanent and loving family. Over the past 22 years, the nationwide collective effort of judges, lawyers, court staff, foster professionals, child advocates, sheriff personnel, and many others has made the dreams of over 75,000 children and youth come true by working on this one special day to finalize adoptions for children and youth in foster care.
